

## GUATEMALA EXCURSIONS

We offer the following excursions for the day prior to your departure. Please let us know which excursion you prefer and we can add any fees to your invoice. In the event you finish your build earlier than expected, we can also add a second excursion to be billed post-trip. The following costs include a small handling fee so that we can make arrangements for you. You have the option to do more than one excursion in a day, but only if you choose two of the first three options (all in Antigua). Please note that in the event your home takes longer to complete than anticipated, you will give up your excursion day to stay and finish the house. Our bus drivers are not allowed to drive within the city of Antigua. They are only allowed to take your team to the Finca, the city parking lot, and the cross.
