

## NICARAGUA EXCURSIONS

We offer the following excursions in Nicaragua. We typically spend the entire day prior to your departure doing fun excursions. Please let us know which excursions and dates you prefer and we can add the fees to your invoice. In the event you finish your build earlier than expected, we can also add another excursion to be billed post-trip. The following costs include a small handling fee so that we can make arrangements for you.

- [Monty's Beach Lodge](#) - \$25/person day trip
  - Access to pool, bathrooms, restaurant, and private beach
  - Bring cash to cover your own lunch (~\$15 in US dollars)
  - Eat breakfast and dinner at your accommodations
  - In Jiquilillo, Nicaragua (one hour drive from Chinandega)
  - Check out the lodge website for rental costs for additional activities (surfing, kayaking, fishing, paddle boarding, horseback riding, etc.)
- [Chorotega Museum in Chinandega](#) - \$15/person | does NOT include lunch | artifacts
- [Hotel Farallones Pool in Chinandega](#) - \$15/person | includes sack lunch | snacks available for purchase
- Dinner at a Local Restaurant in Chinandega - \$10-\$40/person
  - [Dragonfly Restaurant](#) - cheaper option | Asian inspired cuisine (sushi, soup, egg rolls), pizza, appetizers, wings, etc.
  - [Buenos Aires Restaurant](#) - more expensive option | seafood and steak
  - Credit cards and Nicaraguan córdobas are accepted at both restaurants.
  - Restaurants can be visited any evening in lieu of the meal plan dinner (either after building all day or after doing other excursions).
- [Cerro Negro Volcano](#) - \$35/person | includes lunch | 6 hours including the drive (2 hr hike)
- Public Beach Day at [Puerto Corinto Beach](#) - \$15/person | includes sack lunch | additional snacks can be purchased separately | this beach offers no amenities, no restrooms, and is not touristy

Any of the excursion options may be paired together. Monty's Beach Lodge and Cerro Negro Volcano take a bit longer than the other excursions, so these two options may only be paired with one other shorter excursion. For example, you could do the volcano and dinner. The public beach, museum, pool, and dinner could all be experienced in any group of up to three depending on how much time you would like to spend at each one.
